

DuPage Water Commission

Job Posting

Utility Locator

Date of Posting: March 15, 2019

The DuPage Water Commission, operator of the second largest waterworks system in Illinois, is seeking a full-time, experienced Utility Locator to perform all the daily duties associated with the underground utility locating of Commission pipelines and facilities. The Utility Locator also assists the pipeline maintenance crews. Day shift Monday thru Friday, and response to afterhours locate requests.

The qualified candidate shall possess a High School diploma or equivalent with a basic understanding of construction methods and practice and possession of an Illinois Class C water license preferred. Must have a minimum of 2 years' water distribution experience.

The qualified candidate must possess a valid Illinois driver's license.

Starting salary will depend on qualifications and experience. Candidate must complete a DuPage Water Commission employment application accompanied by a resume. All paperwork needs to be submitted to Cheryl Peterson, Financial Administrator at Peterson@dpwc.org or mailed to DuPage Water Commission, 600 E. Butterfield Road, Elmhurst, IL 60126-4642, Attention: Financial Administrator (Pipeline Maintenance Technician).

The Commission provides a comprehensive benefits package.

APPLICATIONS FOR THIS POSITION MUST BE RECEIVED AND POST MARKED NO LATER THAN APRIL 12, 2019. NO EMPLOYMENT APPLICATION FOR THIS POSITION WILL BE CONSIDERED AFTER APRIL 12, 2019.

If you have any questions regarding the application documentation information, please contact Cheryl Peterson at 630-834-0100 Ext. 1913.
