Where: Cook County Forest Preserve

Bemis Woods South (off of Ogden Ave, Western Springs, IL)

Grove (shelter) #5

Cost: \$30 per person

Presentation by: Steven Juzwiak of American Flow Control will present on **“Proper Operation & Maintenance of a Fire Hydrant”– 1 CEU**

Vendor Sponsorships Available: \$150.00

Food provided by Tailgate caterers (Come Hungry)

Come join MCWWA for a change in venue at an outdoor event with food, drinks, and education. We will have corn-hole (bags) games to play and a chance to meet some new people. Bring the guys from the shop or a new person from the office to get outside and hopefully enjoy some nice weather and people from the water industry.
